

The S. D. Vidya School

Jagadhri Road, Ambala Cantt

List of Activities

Month: July

Session 2024-2025

Grade - Pre-KG to II

S.No.	Month	Name of the Activity with Description	Photograph
1.	July	Thematic Board Reading Theme- 'Transport' The main advantage of teaching with display boards is that it helps in visual learning, which helps the children remember what they have learnt for a longer period of time.	
2.	July	Sports Playtime gives kids the freedom to explore new world altogether. Be it a make-believe game, or a pretend-play game, it helps the kids think out-of-the-box and in developing creative skills, gross motor skills and inculcate team work.	
3.	July	Circle Time It improves focus and attention. It also helps to make children connect and interact with the teacher.	

4.	July	<p>Dance It helps in boosting confidence and makes children feel better and relax.</p>	
5.	July	<p>Library-It provides a wide range of material and activities which helps young children learn and develop skills.</p>	
6.	July	<p>Investiture Ceremony To instill in children a sense of responsibility, teamwork, leadership qualities and build confidence in them. Students of Grade UKG were made as council members.</p>	

7.	July	<p>P.T.</p> <p>It helps to develop social skills and discipline amongst the children.</p>	
8.	July	<p>Show and Tell Activity</p> <p>Theme: Transport</p> <p>Show and Tell activity brings confidence in children and removes stage fear.</p> <p>To build effective communication and listening skills and emotional development show and tell activity was conducted on the theme My Family. Students spoke lines on their most favorite family member.</p>	

9.	July	<p>Special Assembly- Grade I Jasmine</p> <p>To show gratitude to mothers for their endless gesture and efforts Card Making Activity was conducted. All students made cards for their mothers.</p>	 <p>A group of young students in school uniforms are performing on a stage decorated with colorful flowers. They are holding handmade cards that say 'We love Mommy' and 'I love Mommy'.</p>
10.	July	<p>Computers</p> <p>Interactive technology can aid in the development of cognitive and motor skills. Computers help improve hand-eye coordination, fine motor skills, and cognitive processes such as problem-solving and critical thinking.</p>	 <p>A classroom where students are sitting at desks with computers. A teacher is standing at the front, interacting with the students.</p>
11.	July	<p>Special Assembly- ' Nature'</p> <p>To thank Mother Nature for providing so many gifts to us and to make people aware to protect Mother Nature Special Assembly presented by Grade 2 Petunia students.</p>	 <p>Students are performing on a stage decorated with a large globe and colorful flowers. They are holding signs and speaking into microphones.</p>
